

Dear Potential Sponsor,

Over the past two decades, Hickory Grove Christian School has provided a distinctively different, distinctively Christian education to students from kindergarten through the 12th grade. As the school has grown over the years, so has its needs. The HGCS AAA Booster Club provides support for all three major areas of our school: Academics, Arts, and Athletics. The HGCS AAA Booster Club strives to improve the experience of our students in all grades across every facet of education at Hickory Grove Christian School. In order to do so, the AAA Booster Club is continuing the tradition the annual Golf Tournament.

The HGCS AAA Booster Club is currently working on the 19th Annual Golf Tournament fundraiser to be held at **Pine Lake Country Club on April 30, 2018**. Over the years, our golf tournament has proven to be a great success and contributor to being able to fund many improvements to our athletic program. With the expanded focus of the AAA Booster Club, we are extending the benefits of the Golf Tournament to all areas of our school, including providing additional funds to upgrade technology. Last year, the HGCS Golf Tournament raised over \$22,000 to contribute to bleachers, which were installed in the gym last spring and seat over 1000 people. This is only possible with contributions from partners like you. We greatly value our partnership and we are calling on you for support of this event.
