

# HICKORY GROVE CHRISTIAN SCHOOL

Dear Potential Sponsor,

Over the past two decades, Hickory Grove Christian School has provided Christian education to students from kindergarten through the 12<sup>th</sup> grade. As the school has grown over the years, so has its needs. The HGCS AAA Booster Club partners closely with the school to support their needs across all three major areas of our school: Academics, Arts, and Athletics. The HGCS AAA Booster Club strives to improve the experience of our students in all grades across every facet of education at Hickory Grove Christian School. In order to do so, the HGCS AAA Booster Club holds various fundraisers throughout the school year with their annual golf tournament being a main source of funding.

The HGCS AAA Booster Club is currently working on the 20th Annual Golf Tournament fundraiser to be held at **Pine Lake Country Club on April 29, 2019**. Over the years, our golf tournament has proven to be a great success and has contributed to many enhancements to the school's programs. Recently, we were able to provide funding for improvements to the school's softball field which included a new press box, concrete sidewalks, and additional bleachers. This was only possible through the contributions of our sponsors.

This year, **our tournament goal is to raise \$35,000** which will provide funding to establish a STEM lab for the school. The STEM lab is being designed to include Vex Robotics, 3D printers, model design, and building materials as well as movable furniture to allow flexible room arrangements. In order to meet this goal, we are looking forward to working with our sponsors in making our golf tournament a success.

Below you will find the sponsorship opportunities available for our annual golf tournament.

**Hole Sponsor - \$150:** You will receive a sign with your business name clearly displayed and it will be placed at one of the holes on the course during the tournament
