

Dear Parents and Students,

Summer reading is designed to maintain student reading level, improve comprehension, and enhance vocabulary. It is critical in helping ensure that students' literacy skills remain strong. Our summer reading program was created to reduce the "summer slide" and provide your child with some excellent reading material.

Our Middle School English teachers are excited about our requirements for this summer's reading. We believe this will give our students more freedom in choosing books with subject matters in which they are interested.

Parental guidance in helping students select appropriate texts is highly encouraged. <u>Commonsensemedia.org</u> is an excellent website to seek recommendations and review content.

Reading requirements per grade level:

□ Select one fiction and one nonfiction text from the grade level book list to read during June and July. Then	read
the assigned book of the Bible to read the first two weeks of August.	

☐ Follow directions for the assignment listed for the grade level.

☐ Create a FlipGrid Video Report for all three of the reading assignments https://flipgrid.com/8thsummerhamilton

If you have questions, please contact Elizabeth Hamilton: <u>ElizabethHamilton@hgchristian.org</u>

Summer Reading Menu 8th Grade

DIRECTIONS:

Ц	I Read one book a month. It must be on your reading level. If you are unsure of your level, use the five word rule.
	(A book is too hard if you can't recognize five or more words on a page). In June you are to read fiction, in July you
	are to read a nonfiction book, and in August you are to read a book of the Bible.

☐ Create a FlipGrid Video Report for each book: https://flipgrid.com/8thsummerhamilton

☐ Your video for each book should be between 3-5 minutes and must include the categories listed below.

	JUNE (FICTION)	JULY (NON-FICTION)			
Use the blanks below to take your notes. You may be as creative as you would like with this video. You can dress up like a character, use an accent, create a setting Just don't cover your face.
