# RISING KINDERGARTEN STUDENTS' SUMMER READING

Dear Rising Kindergarten Parents,

We hope you are anticipating a fun-filled summer with your soon-to-be kindergartener. Your kindergarten teacher is looking forward to working with you and your student in August. We feel blessed that you child and your family will be a part of our school for the upcoming year.

HGCS is very intentional in their efforts to ensure all students have the opportunity to be successful. Research has proven there is a direct correlation between reading to your child and his/her success in learning how to read. The program is designed to foster this relationship. It has been shown that children who read over the summer will benefit in the following areas: reading comprehension, writing style, vocabulary, spelling and grammatical development. **Student participation is required.**

Rising kindergarten students are asked to read 20 books. Shared reading between parent and student may be recorded as well.

For every 5 books read, the student will win a prize from Chick-fil-A (coupons received after school begins). **Completed form required to receive coupons and breakfast participation.**

5 books--- Cookie coupon
10 books--- Chick-n-Minis coupon
15 books--- Milkshake coupon
20 books--- 8 Pack Nugget coupon

We have a class goal of 200 books. If we meet our class goal, we will enjoy a breakfast sponsored by Chick-fil-A when school starts back.

We have tried to make this an enjoyable experience for both the child and parent. Have a wonderful summer! We look forward to celebrating your summer reading with a Chick-fil-A breakfast. Happy reading!
